WHAT DOES POPULATION HEALTH LOOK LIKE LOCALLY?

Child

- HOME
- Clubs/Rec Centers
- PCP
- School
- Parent’s workplace
- Church
- Emergency room or after hours provider
- Child care

CCHAP PRACTICE MANAGERS - MARCH 15, 2016
HOW IS POPULATION HEALTH DONE?

- Identify community
- Build partnerships
- Gather health needs data in the community
- Assess community health assets from data
- Assess community health gaps from data
- Collaborate on improving assets
- Collaborate on addressing gaps
- Develop a whole, well-child approach
- What else would you suggest?
WHAT CAN PROVIDERS DO?

• Play a critical role
  • connecting those involved in their patients’ care
  • assuring the quality of life for patients
  • helping patients closely manage multiple chronic diseases
  • assuring patients are educated about unhealthy behaviors

• Have strategic conversations

• Collaborate with community health partners

• Collaborate with community SDoH partners

• Suggestions/Thoughts?
